Re: Docket Number: E-01345A-16-0036 + E-01345A-16-0123

Dear Commissioners,

While looking at the APS rate case, I would like you to consider what system efficiencies and internal cost reductions APS has done before it decided it needed to raise rates. As a small business owner, the only way I can increase my net income is to increase the efficiency of my operations and reduce costs where I can. APS is currently asking to enlarge their profit margin on the backs of small businesses like mine. Their proposal will limit my ability to invest in opportunities to reduce my costs.

Please don't let small businesses such as mine bear the burden of APS's inefficiency.

Sincerely,

Arizona Corporation Commission
